(If more space is needed please attach additional sheets)

As all **exterior change** provide an **impact** on **the community** the following must accompany this request:

1. A certificate of insurance for the contractor being used which names the Association insured.
2. If planting or beds are to be installed, a description of plant material, size location, species, edging material, bed material and a drawing of the proposed plan must be provided.
3. Manufacturer, model and picture of proposed doors or windows.

It shall be the homeowner's responsibility to replace and maintain all plantings that modified from the original plant material that was provided by the builder initially.

I have read and understand the applicable Association Rules and Regulations and the Declaration of the Covenants and Restrictions for Cotswold on the Green

I request approval of the Exterior Modification as described above and agree to abide by any restrictions and conditions, which the Association may apply. I understand that I need approval prior to the commencement of this request.
